

## Jessica Bormolini joins the Carosello 3000 Family

*The Mountain Park in Livigno underlines its enduro vocation welcoming the champion Jessica Bormolini.*

After the opening of two new trails ([Bikers United](#) and [Bike Academy](#)) and the creation of the zero edition of the “[Great Days](#)” event, Carosello 3000 is glad to announce his partnership with Jessica Bormolini. Born and raised in Livigno, Jessica concluded at the second place the Superenduro circuit the last season, and she recently succeeded at the Enduro Italian Championships. A growth that highlights a great perseverance and wish to improve.

In the last years, Carosello 3000 built an important net of flow and enduro trails, that also connected and made available to riders ancient trails of the location. Thanks to her experience, Jessica promises to provide a precious help in the design of some more technical trails dedicated to enduro lovers, which will be planned from the next summer season.

The bond with Jessica is another step of a project that aims to the consolidation of Carosello 3000 - Livigno as European reference point for those who search their freedom in the winter and summer outdoor sports.
